

## Message From The President...

On behalf of our devastating members thank you for visiting the official website of the Hinesville Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated. It is my great privilege and honor to greet you as the 12th President of the Hinesville Alumnae Chapter. Our membership is dedicated to bringing programs that enrich, educate and empower our communities.

Delta Sigma Theta Sorority Incorporated, founded in 1913, is a private, non-profit organization of college educated women whose purpose is to provide assistance and support through established programs in local communities throughout the world. The Hinesville Alumnae Chapter was chartered on May 24, 1987 by twelve courageous, dynamic women and has successfully impacted lives and communities within Liberty, Long, Bryan and Wayne counties through the sorority's principles of sisterhood, scholarship and service.

Today the Hinesville Alumnae Chapter continues modify our service efforts and passionately work to uphold the high values of our beloved sorority by empowering our members and communities which we serve! It is our desire to continue partnering with other organizations and institutions here in the community to build remarkable areas to live and to serve.

Our chapter is a movement, not a monument that prides itself on delivering innovative programming with a far-reaching impact. These public service programs are aligned and developed under the sorority's Five-Point Programmatic Thrust: Economic Development, Educational Development, International Awareness and Involvement, Physical and Mental Health and Political Awareness and Involvement. Additionally, our members also promote Social Action issues and are involved in Arts and Letters events.

We are committed to building MOMENTUM with service, leadership and community empowerment through our many projects and programs which include, but are not limited to the Dr. Jeanne L. Noble Delta G.E.M.S. (for females age 14-18), partnering with the local organizations, hosting voter registration drives, and supporting social action causes.

We are proud of our chapter's accomplishments and look forward to continuing to serve our communities with the chapter's theme of this biennium '***Serving to Engage, Empower, Elevate & Actively Deliver!***' guiding all we do.

If you are a soror looking for a chapter to call home, we would be more than excited to welcome you. We extend an invitation to all duly initiated members of Delta Sigma Theta, Sorority, Inc. in the area who is seeking a Delta chapter home or who may be looking for a hard-working chapter to join us.
